https://www.genuki.org.uk/big/sct/	A comprehensive directory of genealogy links on just about every type of record out there. Many of the links go to other free sites.
https://www.nrscotland.gov.uk/	National Records of Scotland Research Guides collect, preserve and publish information about Scotland's people and history, to inform current and future generations.
https://archive.org/details/nationallibraryofscotland?sort=-downloads	The Internet Archive, itself a great source, hosts a selection of items from the National Library of Scotland. Nearly 5,000 items are available to view.
https://www.scotsgenealogy.com/resources	The Scottish Genealogy Society's resources page has links to free sources like oral histories, prisoners, paupers, mariners, medical records, and more.
https://scotlandsplaces.gov.uk/	Many different types of records are available to discover, from maps to pictures to tax rolls, and even archaeological records.
https://www.clanchiefs.org.uk/chief/	The official overseer of the Scottish clan system. Find your family's clan in the member section to learn more about the clan.
https://www.scotlandspeople.gov.uk/scottish-handwriting	Helps with tutorials on writing from the 16th-18th centuries.
https://www.thefhguide.com/project-9-scotland.html https://www.thefhguide.com/vault.html	Check out the Scotland pages in the Countries menu.
